Would rather vs. Prefer

Podemos expressar preferência com Would rather ou Prefer, sem alteração de sentido. Entretanto, a estrutura é diferente. Observe:

Would rather + (not) + verb

I'd rather be a reporter.

She'd rather go to England.

They'd rather not stay at home tonight.

Prefer + (not) to + verb

I prefer to be a reporter.

She prefers to go to England.

They prefer not to stay at home tonight.
