Já os verbos irregulares possuem o particípio passado totalmente diferente da sua forma base e do passado regular. Acompanhe alguns exemplos:

IRREGULAR VERBS		
Base form	Simple Past	Past participle
be	was/were	been
buy	bought	bought
eat	ate	eaten
see	saw	seen

A forma negativa do *Present Perfect Simple* é construída acrescentando a partícula **not** ao verbo auxiliar *have* - *has*. Neste caso, é possível utilizar a forma contraída *haven't* ou *hasn't*. Observe que o *main verb* continua no passado particípio:

Subject	Auxiliary + not	Main verb (Past Participle)	Complement
I	haven't	seen	the rain.

Veja outros exemplos:

I <b>haven't seen</b> great movies lately.
You <b>haven't done</b> a pretty good job.
He <b>hasn't been</b> very busy.
She <b>hasn't traveled</b> all over the world.
It <b>hasn't worked</b> for me.
We <b>haven't lived</b> in different houses over the years.
You <b>haven't eaten</b> too much chocolate.
They <b>haven't bought</b> the Christmas presents.
